

# How Do We Organize Our World?

MATH

## Get ready

---

Prepare a place for a movement game.

### GET CURIOUS

Movement game:

We provide:

☒ We provide: graphics for the movement game

### GET GOING

Experiment:

☒ We provide: the geometric shapes to be cut out.

for each group:

☐ three boxes of different sizes (small, medium, large),

☐ a set of geometrical shapes (a square, a circle, a triangle) cut out of paper in three different colors,
