

Puzzle/quiz

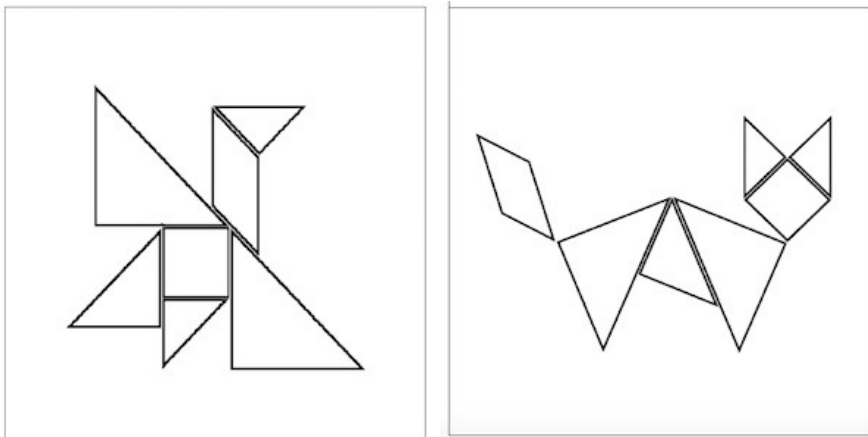

Students assemble the tangrams listening to precise instructions from the partners.

### How to play the tangram game

1. Divide students into four teams.
2. Print the Tangram Templates for each team and cut them along the lines into pieces .
3. Each team gets all pieces of one Tangram Template.

3. Print and cut out the Tangram Patterns - at least two patterns per team.

4. Students pick the roles:
  - A. Person giving instructions
  - B. Person receiving instructions
  - C. Observers
5. Give the Tangram Patterns to Persons A.
6. Person's A job is to instruct Person B on how to arrange their pattern. A does not show the pattern to B.
7. Person B uses the pieces of the tangram and arranges the figure according to the verbal instructions given by A.
8. Observers observe and take notes: what helped in, and what distracted the communication process.
9. Change roles.
